HiKey Illuminated Background

IB200-57 / IB200-67 / IB200-78

(5 × 7 FT) (6 × 7 FT) (7 × 8 FT.)

INSTRUCTIONS

angler®

Thank you for choosing Angler.

Angler's HiKey illuminated background is ideal for shooting high-key lighting images like portraits, fashion, and products. It features a flexible frame that springs open, and easy-to-install frame supports which hold the background upright and free standing. The background offers four zippered openings so you can insert your lights for maximum coverage on either side. Use the background like a large softbox with evenly spread light across the surface, and place your subject up close to the background without casting a shadow.

Precautions

- Please read and follow these instructions, and keep this manual in a safe place.
- Keep this product away from water and any flammable gases and liquids.
- Handle this product with care.
- Use only parts provided by the manufacturer.
- Make sure this item is intact and that no parts are missing.
- All images are for illustrative purposes only.

Contents

- HiKey illuminated background
- Frame supports
- Carry bag

Assembling the HiKey

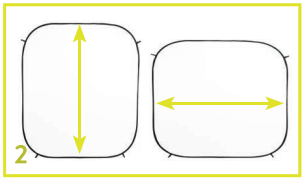
1. Lay the background flat on the ground. Pull back the frame support's clip and hook it under the frame, and repeat for the other side. Attach a frame support to each of the four corners.

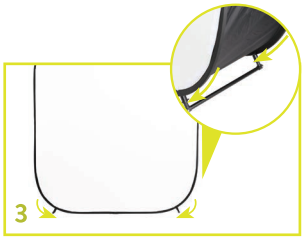
2. Position the background in landscape or portrait orientation.

3. For extra stability, move the bottom two frame supports so they come in contact with the ground.

4. Position lights inside both sides of the HiKey.

   Warning: Make sure to use reflectors with your lights to avoid damaging the fabric.





Folding the Background

1. Remove all four frame supports.

2. Grip the frame on either side of one corner, and point the corner down into the opposite corner on the ground.

3. Twist your hand outward while the corner folds inwards towards your feet. Lean forward and drop both sides onto the section that's on the floor.

4. Reshape to fit in the carry bag.

Adding Color Backgrounds

You can add colored backgrounds for different lighting hues and effects by attaching them to the touch fastener strips located around the frame.

SPECIFICATIONS

	IB200-57	IB200-67	IB200-78
DIMENSIONS (H × W × D)	60 × 84 × 19.5 IN. (1.5 × 2.1 × 0.5 M)	72 × 84 × 19.5 IN. (1.8 × 2.1 × 0.5 M)	84 × 96 × 19.5 IN. (2.1 × 2.4 × 0.5 M)

One-Year Limited Warranty

This Angler product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the Angler Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to Angler along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser's own risk and expense.
