PP-MCX

Mounting clamp for small lights
and portable power packs

User's Guide

Thank you for choosing Bolt.

The Bolt PP-MCX is a compact yet sturdy multi-purpose clamp that is an ideal tool for photographers or videographers in the studio or on location. Designed to offer durable versatility, this mounting clamp will unleash your imagination when setting up lights and other accessories.

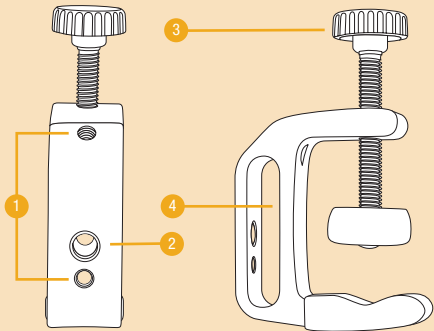

The PP-MCX features two 1/4"-20 threaded mounting holes and one 3/8" threaded hole at different angles for mounting lights at a wide variety of angles. A belt clip slot allows users to hang power packs from a light stand. The clamp opens to 1.8" (4.5 cm), and it is deep enough to securely fasten to light stands, desktops, doors, pipes, or anywhere you need to set up lights or hang a power pack. Rubber coating prevents damage or scratching to surfaces while maintaining a strong grip.

Precautions

- Please read and follow these instructions and keep this manual in a safe place.
- Make sure everything is secure before proceeding.
- Make sure that this product is intact and that there are no missing parts.
- Do not exceed the maximum load capacity (2 lb. on light stands and 8 lb. on flat bases).
- All photos are for illustrative purposes only.

Specifications

Weight	4.6 oz. (130 g)
Adjustable range	0.1"-1.8" (0.3-4.5 cm)
Belt clip slot length	2" (5.1 cm)

Overview

1. 1/4"-20 threaded mounting hole (x 2)
2. 3/8" mounting hole
3. Locking knob
4. Belt clip slot

Mounting the PP-MCX

1. **Light stand** - you can mount the PP-MCX to a vertical support like a light stand, and the clamp will support up to 2 lb. of equipment.
2. **Flat Surface** - you can mount the clamp to a flat surface like a desk, and the clamp will support up to 8 lb.

Mounting a light or other accessory

1. Securely close the clamp on the surface by tightening the locking knob.
2. Screw a stud or spigot into the appropriate threaded hole on the clamp.
3. Securely attach the light to the stud or spigot.

Hanging a portable power pack

1. Securely close the clamp on the surface by tightening the locking knob.
2. Insert the power pack belt clip into the belt clip mount.

surface

One-Year Limited Warranty

This BOLT product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the Bolt Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to Bolt along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser's own risk and expense.

For more information or to arrange service, visit www.boltflashes.com or call Customer Service at 212-594-2353.
