

6 ft 180° Rotating HDMI Digital Video Cable – M/M

StarTech ID: *HDMIROTMM6*

This high quality 6ft HDMI cable features rotating HDMI male connectors, providing a direct link between HDMI devices such as Blu-Ray players, HDTVs, DVD Players, stereo receivers and more.

Expertly designed to provide true high definition performance, this high quality HDMI cable features two gold plated 180° flexible HDMI connectors, delivering the versatility to install this cable into tight/narrow spaces where standard connectors will not fit.

This digital video cable is HDMI specification 1.3b compliant, which fully supports 1080p+ resolutions at up to 120Hz refresh rate, with life-like color; the cable can support bandwidth up to 340 MHz (10.2 Gbps) and display resolutions of up to 1440p - ready to handle the demands of future high definition devices (increased resolutions and higher frame rates etc.).

Backed by Lifetime Warranty.

Applications and Solutions

- Connecting to an HDMI source with very little space below
- Connecting your HDMI TV or Monitor to an HDMI source

Features

- Gold plated connectors increase conductivity
- Two Flexible/Rotating connectors
