Introduction

Thank you for purchasing the Impact Collapsible Background.

Use the following instructions to fold the background so it will fit into its storage bag. It might take some practice to properly collapse the background. Follow these instructions carefully.

The 6-in-1 Collapsible background offers 3 different color combinations:

- Unzip the sleeve, and remove the background to expose the chroma green/chroma blue backgrounds.
- Replace the reversible sleeve for the background color of your choice: black/white or dark gray/light gray.

Folding Instructions

Grasp the background at two adjacent corners. Lift the backdrop a little. The backdrop's own weight will assist the folding process. Fold the two ends together. The background will look like a large taco.

Pass one hand behind the other in an overlapping motion; right hand to left hip and vice versa.

Folding Instructions (cont.)

Sweep the corner that is in front over the corner closest to you.

Continue folding one side over the other until both align. The background will now fit in its carry bag.
